PRODUCT DESCRIPTION

Les Acrobates De Gras No. 323 Conic Pendant Light by DCW éditions

Inspired by the iconic [Lampe Gras collection](#) by Bernard-Albin Gras, the Les Acrobates De Gras No. 323 Conic pendant lamp applies the familiar lampshade to functional and adjustable cables. The pendant light takes after trapeze artists who are suspended in the air gracefully, creating elegant movement on high wires. Similarly the pendant is suspended by two wires that can be placed where you want as only one wire has to be connected to the mains.

The Les Acrobates De Gras No. 323 Conic suspension is available in 2 sizes, large or extra large and in 7 finishes, yellow, red, black, copper, blue, black/copper interior and raw copper. The suspension lamp provides downward directed light and so is perfect for hanging over surfaces, whether in a professional setting or in the home. A chic and timeless fixture that will look stunning in any interior.
