Gem Table Lamp by Foscarini

The Gem table lamp was designed by Ludovica and Roberto Palomba and is a beautiful and stunning lamp that is made with expert craftsmanship. The shade is made from blown glass, etched with lines and details to give a textured design that evokes the image of a gem. The lampshade sits atop a gold base, finishing the lamp with a luxurious touch that is elegant and refined.

The Gem table light produces a diffused, ambient light and with a dimmer included on the cable, you can create the lighting atmosphere that you want in the room. Made from wonderful materials, this table lamp will amaze and stun in any room in both professional spaces and homes.
