Artemide Chlorophilia 2 LED App compatible

SOURCE: <https://www.davidvillagelighting.co.uk/product/Artemide-Chlorophilia-2-LED-App-compatible/19913>

PRODUCT DESCRIPTION

Designer: Ross Lovegrove

Chlorophilia 2 App compatible by Artemide

A highly scenic and stunning suspension light, the Chlorophilia 2 suspension light has double the features of its older sibling the Chlorophilia suspension. A design by Ross Lovegrove, who according to numerous leaders, has brought a new aesthetic expression for the 21st century. Lovegrove's designs are based on both the human approach, material science, technology and intelligent organic form. All that is depicted in the Chlorophilia light. When switched on it presents a contrast of delicate, leaf-like shades which highly interact with space and complete it.

This product is Artemide App enabled. The intuitive and user-friendly Artemide App can be used to control individual lights or groups of lights both in your home or in a commercial setting. Simply download the App to your mobile or tablet device and control your Artemide App-enabled light via Bluetooth connection. One feature which Artemide App allows you to adjust the dimming settings of your Artemide light. Further information about the App and its other features can be found [here](#).
