Spokes 3 MyLight Pendant Light by Foscarini

Part of the [Foscarini Spokes collection](#), the Spokes 3 pendant is the latest addition. The Spokes 3 MyLight benefits from the latest bluetooth technology allowing you to dim the light using the Casambi app.

Spokes 3 is a playful pendant light, casting shadows in its surroundings, made with a steel and aluminium frame. An intriguing design for all interior spaces, the pendant looks beautiful when installed on its own or in clusters of the same size or with other pendants from the collection. A 3.4m cable allows you to install the pendant on high ceiling areas. Garcia Cumini took inspiration from oriental lanterns and bicycle wheels!
