Space Table Lamp by Moooi

A new design by Ward Wijnant for Moooi, the Space table lamp is a fun, wondrous and playful lamp that has a unique aesthetic and design. When switched off the lamp has a reflective mirror which takes in its surroundings to bring illumination in a natural way. When switched on, the light bulbs are revealed beneath glowing brightly to fill the space.

The table lamp has a very special dimmer switch which allows you to dim between a soft white to bright white and then on to a colorful disco lighting show! The colours alternate from slow moving to fast moving, controlled by the dimmer; an innovative feature called Dim-To-Disco. The Space table light is truly a spectacular and interesting light that provides a lively and enjoyable experience. Whether you want to create a soothing atmosphere with a soft white glow, or have a party complete with disco lights, this table light can do everything to suit your needs!
