Birdie Easy Reading by Foscarini

The Birdie family keeps expanding and is now introducing the Birdie Easy Reading floor lamp. The Birdie Easy lights are defined by their minimal look and style, available in a selection of 6 hues. A long cable, 2.7m means you can place the lamp anywhere in the room. The new additions, floor and table lamps, allow you to decorate and furnish any interior space in a coordinated style. The minimalist design means the lamp can easily blend into any stylistic setting.

Birdie Easy Lettura or Reading lamp emits a downward light that spreads into its surroundings. The perfect reading companion. Some light escapes upwards bringing attention to the main piece of the lamp, the shade. The lamp is perfect for any interior space, both residential and commercial.

Combine your floor lamp with the [Birdie Easy table lamp](#), available in two sizes, small or large.
