Arco Floor Lamp by Flos

We currently have limited stock of this item in our [Clearance section](#).

The Arco floor lamp was designed by Achille Castiglioni and his brother, Pier Giacomo in 1962. This iconic lamp is still contemporary looking and has a white-marble base and a satin finish stainless steel telescopic arm producing a unique aesthetic that is eye-catching and innovative. The shade is made from pressed and polished aluminium with a swivelling, adjustable reflector which means you can direct the light exactly where you need it.

The Arco floor light is perfect for many settings and can be used as a reading or task light or to create a nice ambience in the room. This floor lamp will look wonderful in lounges, offices, dining rooms and more in the home and also at work to add a classic and modernistic touch.

This classic version of the Flos Arco takes an E27 light bulb with a maximum of 100W. An [integrated LED version of the Flos Arco](#) with a dimmer is also available to purchase online.
