PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Beat LED Wide Pendant

An ever-popular choice, the Beat LED Wide pendants from Tom Dixon are now available with an integrated LED light source. The Beat lights, available in various shapes and finish options, can be grouped together to create a unique statement. Install the Beat pendants to highlight areas in any room or install individually above a dining area or reception.

The Beat Wide is ideal to hang above a dining area or meeting space, as the pendant provides a wide spread downward light. Available in three finish options, black/brass, white/brass or all brass and dimmable via trailing and leading edge mains. The pendants come with a black fitting and 2.5m long black cable, allowing you to install at any desired height.

Browse through the entire Tom Dixon [Beat light collection](#), for more inspiration.

Please note, that the LED ring is non-replaceable
