Button Mini Ceiling/Wall Light by Flos

The Mini Button light designed by Piero Lissoni in 2005, is a versatile lamp for ceilings and walls. Perfectly minimalistic, the wall/ceiling light's aesthetic is guided by creating more from less, appearing uncomplicated while performing a versatile function.

The Button Mini wall/ceiling lamp provides direct yet diffused light and is available in both opal polycarbonate and opal glass. With silicone waterproof sealant and crafted from die-cast aluminium, the opal polycarbonate is rated at IP44, suitable for outdoor and wet environments such as bathrooms, balconies or terraces, while the glass version is not waterproof with an IP40 rating only.
