Romeo Babe Soft Wall Light by Flos

Small in size but large in style, the Romeo Babe Soft wall light, by renowned French designer Philippe Starck, is classic yet modern in style, making it suitable for most interior styles. The Romeo Babe Soft wall lamp has a grey painted wall bracket detail and a pleated silk shade and provides direct light, making it perfect for use as a bedside lamp or dressing table lamp as a space saving alternative to a desk lamp.

The Romeo Babe Soft collection also includes a pendant light for a cohesive and chic lighting solution.
