PRODUCT DESCRIPTION

Designer: Miguel Milá

TMM Metalico Wall Light by Santa & Cole

Whilst still respecting the structure and the dimensions of the original wooden wall lamp from 1964, a new version of the TMM Wall Light has been created - the Santa & Cole TMM Metalico Wall Light. This evolution has been curated from more modern materials, the lampshade is painted methacrylate instead of fabric and the structure is crafted from metal instead of wood, making it more resistant to environmental conditions. The TMM Metalico is one of the most celebrated pieces by one of the pioneers of Spanish design, Miguel Mila, and is a subtle but robust wall lamp, embellished by time.

The TMM Wall Lamp is narrow enough to make it suitable for corridors or places that need a warm spot of light, it also makes a beautiful reading light or bedside lamp in your home.

Please Note: This TMM Metalico Wall Light is hardwired.

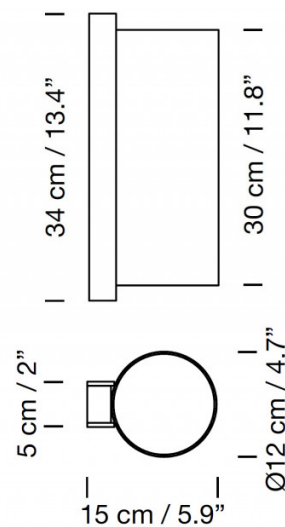

PRODUCT SPECIFICATION

Light Source: 1 x Max 4.5W E27 LED (included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Shade: Ø12cm
Shade Height: 30cm
Depth: 15cm
Height: 34cm
