PRODUCT DESCRIPTION

Designer: Matteo Thun

Choose Floor Lamp by Artemide

A modern take on the traditional abat-jour, the Choose lamp collection consists of a polycarbonate transparent diffuser, to which you insert a parchment or white paper insert as a decorative membrane. The Choose floor lamp can be tilted to the side by up to 30°, allowing you to adjust the light direction. The Choose lamp emits a diffused and direct light and adds a warmth into the room. The light is non dimmable, but an on/off switch is located on the cord. The range also includes a [table lamp](#), a [wall light](#), a [pendant light](#) and a [mega floor lamp](#). Available with either a chrome or anthracite grey base.
