### PRODUCT DESCRIPTION

**Designer:** Terzani Lab

Beautiful Terzani Mizu 7-Light Suspension: Inspired by the tranquil and mesmerizing light refractions created by water, Mizu is a new, customizable pendant light from Terzani.

Like water droplets, no two Mizu are alike, each crystal shape is unique and made meticulously by hand. Using only the clearest crystal (24% lead), Mizu perfectly emulates water's refraction of light, casting amazing patterns around the room, reminiscent of flowing water.

Provides ambient and decorative illumination.

Materials: 24% Lead Crystal

Also available in:

Brushed nickel with clear/silver dust glass

White with clear gold glass

**Customised specials are also available on this light.**
