PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

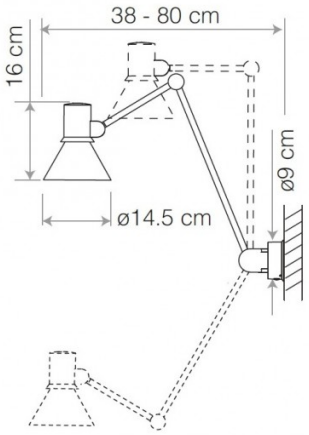

Anglepoise Type 80 W3 Wall Light

The Type 80 W3 Wall Light was created by British designer and Anglepoise Design Director, Sir Kenneth Grange. Characterised by a clean aesthetic and distinctive silhouette, the W3 Wall Light boasts a timeless appearance that complements a wide range of interiors. The long arm comprises three connecting joints for precise angular articulation and the flexibility expected of an Anglepoise design.

When switched on, the Type 80 W3 Wall Light offers a direct beam of light that can be easily positioned for focused tasks or adjusted to illuminate a wall for a warm, ambient glow. The signature halo of light that escapes the shade creates an ornamental element, softening the lamp's appearance. The Type 80 W3 Wall Light is available in two matte finishes and as a hardwired or cable-and-plug version. Display individually or in pairs for an elegant lighting solution that will enhance the space around it.

PRODUCT SPECIFICATION

Light Source:	1 x Max 6W E27 LED (Included)
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	Shade: Ø14.5cm Shade Height: 16cm Maximum Reach: 80cm Wall Mount: Ø9cm Cable Length: 250cm
