PRODUCT DESCRIPTION

Les Acrobates De Gras No. 324 Round Pendant Light by DCW éditions

The Les Acrobates De Gras No. 324 Round pendant lamp is part of the DCW éditions Les Acrobates de Gras collection, a range which takes inspiration from the well-known Lampe Gras collection, created by 20th century designer Bernard-Albin Gras in the 1920s. The pendant consists of two rounded lampshades suspended on cables which provide a downward directed glow which is both functional and atmospheric.

The Les Acrobates De Gras No. 324 Round suspension evokes images of high-wire artists, who put on magnificent displays in the air in a graceful and mesmerising way. The cables are adjustable and can be placed where you need for a tailored look. The pendant light comes in 2 sizes, large or extra large and is available to buy online in a black finish.

This suspension light is also available in different lampshades and a wide range of colours that can be mixed and matched to your preferences. Please contact us for more information and prices.
