PRODUCT DESCRIPTION

Designer: Silvia Poma

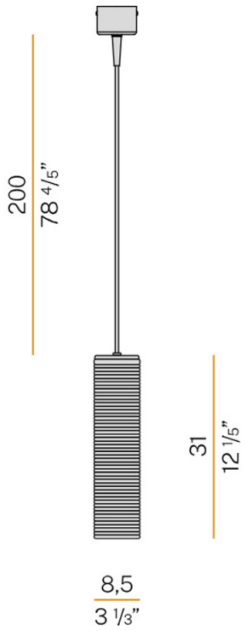

Panzeri Clio Suspension

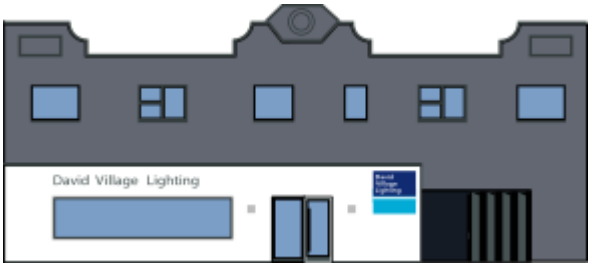

The Panzeri Clio Suspension Light, the smallest in the collection, is a refined creation by Silvia Poma, embodying the elegance of Italian craftsmanship. Its retro ribbed glass shade is available in seven captivating finishes: white, crystal, steel, amber, bronze, tobacco, and green. The ribbed texture enhances the light's diffusion, creating a warm and inviting atmosphere, perfect for cosy nooks, intimate dining areas, or decorative clusters.

Designed with versatility in mind, the Clio features a black or matt brass canopy paired with an E27 LED bulb, offering a soft, diffused glow (2700K, 1050lm). Its adjustable black fabric cable allows for custom suspension heights, making it a fitting choice for both residential and commercial spaces. Whether hung as a single accent piece or arranged in a cluster, the Clio Suspension Light adds a timeless touch to any setting.
