Foscarini Chouchin Bianco Pendant Light

The Chouchin Bianco expands the Foscarini Chouchin collection with an all-white version of the popular pendant. Made from glass, the pendant lamp creates a beautiful, warming glow that spreads throughout the room. The bottom also has an opening so a stream of downward light emanates outwards.

The Chouchin Bianco pendant lamp comes in 3 versions, the Chouchin 1, Chouchin 2 and Chouchin 3 which all have their own unique shape and size. You can use alone in smaller rooms or in multiple for larger spaces for an even more effective illumination. You can also create variety by mixing and matching the various versions to create wondrous clusters that draw the eye. Suitable for homes, commercial settings and offices.

The Foscarini Chouchin Bianco Pendant is also available with an integrated LED light source. Please contact us for more information and pricing.
