Buster + Punch 1G Dimmer Switch

LA10429/1G

SOURCE: https://www.davidvillagelighting.co.uk/product/Buster-Punch-1G-Dimmer-Switch/10000096

PRODUCT DESCRIPTION

1G Dimmer Switch by Buster and Punch

The 1G dimmer switch can be used alongside any of the dimmable Buster and Punch products, being in keeping with their luxurious and modern aesthetic. The dimmer switch is made from solid metal and is available with colour matched, steel or brass fittings. The dimmer knob has a subtle and elegant diamond-cut, cross knurl pattern and the coin screws come in the same colour as the knob. Suitable for controlling one light point or source.
