PRODUCT DESCRIPTION

2G Toggle Switch by Buster + Punch

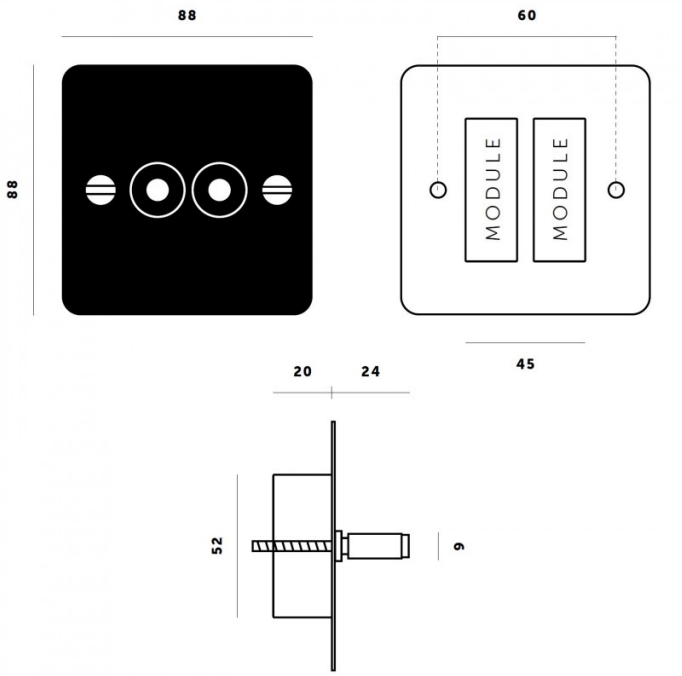

Created by Buster and Punch, the 2G toggle switch is a gorgeous addition to any interior, characteristic of the lighting brand's style. The 2G toggle works as an on/off switch that can control two points or sources of light. The plate is made from solid metal with a toggle arm made from metal, brass, or steel with a lovely diamond-cut, cross knurl pattern. The switch comes in 11 colour finishes, with either a completely colour-matched switch or a switch featuring two chic colours.
