PRODUCT DESCRIPTION

2G Plug Socket by Buster + Punch

Made from solid metal, the 2G double socket is suitable for points where you need 2 electrical outputs, wonderful for use around the home and in professional settings. The socket matches the rest of the Buster and Punch switch collection, available in 5 beautiful colour finishes, black, white, brass, smoked bronze and steel. Decadent and refined, you can use the plug socket alongside any light that uses a cable and plug.

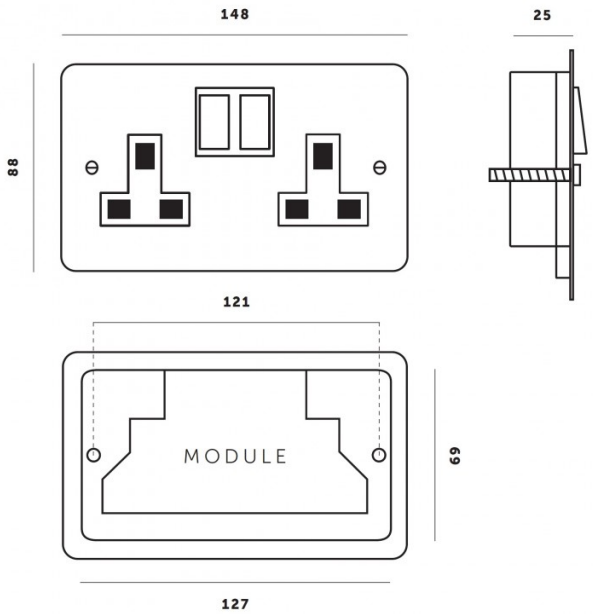

Double Socket, 13AMP switched

PRODUCT SPECIFICATION

Dimensions: Height: 8.8cm
Width: 14.8cm
Depth: 2.5cm

Recommended Back Box:
2G square back box - 47mm depth

When installing the socket, we recommend that backboxes are
set back a minimum of 4mm from the finished wall surface. This is to ensure a flush install between the back of the socket plate and the finished wall.
