PRODUCT DESCRIPTION

Designer: George Carwardine

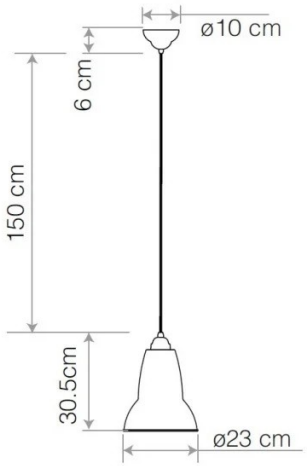

Anglepoise Original 1227 Midi Brass Pendant

The Anglepoise Original 1227 Midi Brass Pendant features the instantly recognisable Original 1227 shade in a larger size. Finished with brass fittings and a twisted fabric cord, this reimagining of the classic lamp adds a decorative aesthetic to both residential and commercial spaces. The pendant is an ideal lighting solution if the standard **1227 Pendant** is too small and the **Maxi Pendant** is too imposing.

The Anglepoise Original 1227 Midi Brass Pendant is available in an Ink Blue colourway, complemented by the brass fittings for an elegant appearance and a sense of luxury. Casting a downward-directed light, the pendant is well-suited for use in a kitchen or dining room to illuminate a table or work surface. Its ornate aesthetic also suits bedrooms or high-end boutiques, adding a touch of quiet sophistication.
