PRODUCT DESCRIPTION

Designer: Enzo Catellani

Catellani & Smith CicloItalia Flex Floor Lamp

A part of the Catellani & Smith CicloItalia collection, the CicloItalia Flex floor light is made from metal and features three spotlights. The spotlight shades are made from metal and sit on the end of three brass flex arms which can be moved and adjusted so you can direct the light flow where you need. Each lampshade also features a glass lens which concentrates the glow and diffuses it outwards.

The CicloItalia Flex floor lamp can be used in many settings and is useful as both an ambient and a task/reading light. The floor light also comes with a dimmer switch so you can create the right atmosphere in your space. Available in white or black, the CicloItalia Flex Floor Lamp boasts beautiful brass detailing.
