PRODUCT DESCRIPTION

Designer: Enzo Catellani

Catellani & Smith CicloItalia Flex Single Wall Light

The CicloItalia Flex W1 Wall Lamp is a gorgeous and stunning fixture by Catellani & Smith, made from metal with a flexible brass arm, allowing you to easily direct the lighting output and making it perfect for task lighting. The lampshade has an elongated design, having smooth and beautiful lines that look elegant and refined. The shade also diffuses the light bulb with a glass lens which provides a warm and constant glow.

You can use the CicloItalia Flex wall light in many settings, useful in hallways, bedrooms, lounges, dining rooms and many more for a timeless look. Similarly it can be used in offices, workshops and reading nooks for a directed functional illumination. Equipped with a handy on/off switch, this wall lamp is available in a black or white colour finish, both providing a sleek and timeless aesthetic.
