Artemide nh S2 Suspension

The Artemide nh S2 Suspension was designed by Neri&Hu, the duo whose creativity stems from research. They believe that each project has its own contextual issues. The nh is a perfect blend of balance, colour, and material with a sustainable design, equipped with a low-energy LED retrofit lamp. The lights are a modern take on the traditional Chinese lantern, as most of their designs are a tribute to Oriental culture. A blown glass diffuser sits perfectly in a brass ring and suspends gracefully from a metal rail.

The nh Suspension Light is available in two diffuser sizes, both of which offer a metal rail of 87.5cm and the choice between either a Ø14cm or Ø22cm glass diffuser. The suspensions become a non-static piece, perfectly balanced, which is defined by their match of colour and material.

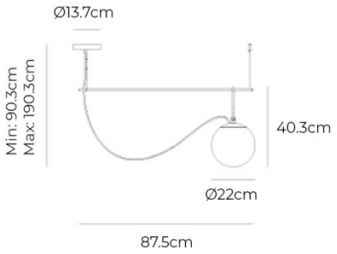

PRODUCT SPECIFICATION

Light Source:	**S2 14**: 1 x Max 5W E14 LED Dimmable (Excluded) **S2 22**: 1 x Max 15W E27 LED Dimmable (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**S2 14**: Diffuser: Ø14cm Width: 87.5cm **S2 22**: Diffuser: Ø22cm Width: 87.5cm Drop Height: 82.2cm-182.2cm Ceiling Rose: Ø13.7cm
