Colt Flush LED Wall Light by Bert Frank

Designed as part of the Bert Frank Colt collection, the Colt Flush light is a subtle and effective fixture, perfect for lining the walls in multiple for an upward and downward glow. Unlike the other wall lights in the collection, this wall lamp sits flush to the wall, having a simpler aesthetic that is perfect for minimalist settings and big projects.

The Colt Flush wall lamp is made from brushed brass and has a gorgeous rounded lampshade that has a grill pattern, inspired by the grills found on classic cars. A testament to British engineering and design, this wall lamp will add a vintage and striking touch to any interior.
