Riddle Single Table Lamp by Bert Frank

Bert Frank Riddle Single Table Lamp combines a perforated machined-brass shade with a fabric insert to produce a warm glow of directional light. The shade sits above a solid brass powder-coated base with a tactile toggle switch.

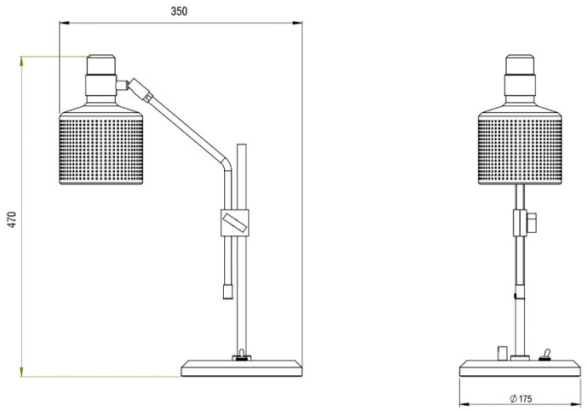

Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel are the four standard brass finishes, with powder-coated options also available. Black flex cable is supplied as standard, while other cable colours can be specified on request.

Its compact table format and directional light make Riddle suited to areas where a focused source of illumination is needed. Best suited to desks, bedside tables, side tables, and reading areas.

Please note, the product shown features Bert Frank's Textured Black powder-coated details. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes.
