PRODUCT DESCRIPTION

BuzziShade Pendant Light by BuzziSpace

The BuzziShade pendant is designed to reduce outside noise and keep conversations private. The pendant light is made from a combination of felt and other fabrics of your choosing, absorbing mid to high tones from your surroundings to ensure for a secluded feel even in large places with a lot of people. Wonderful for work spaces, restaurants and lobbies, the BuzziShade pendant lamp also has a large size to use as central light points in sofa and table areas.

The BuzziShade pendant lamp comes in a medium or large size and also in a square version for countless design combinations and styles. You can choose from a wide range of colours and fabrics and you can also opt for an LED version which includes an extra large and an extra extra large size. For confidential conversations and peaceful working, please contact our Trade Team to create your personalised BuzziShade pendant light.
