PRODUCT DESCRIPTION

BuzziShade Standing Floor Lamp by BuzziSpace

The BuzziShade standing floor light is the perfect solution for a decorative lamp that also minimises noise. The lampshade is made from BuzziFelt, a material produced by the brand that helps to reduce noise and provide a lovely acoustic performance. The size of the shade helps to absorb and diffuse noise, creating a comfy corner suitable for lounges, waiting rooms or lobbies to produce a calm and serene environment.

The BuzziShade standing floor lamp is available in various shade colours and structure colours so you can find the right look for your interior. The floor lamp absorbs both mid and high tones and will also catch the eye due to its unique and modern aesthetic. Please contact our [Trade Team](#) for more information and ordering.
