PRODUCT DESCRIPTION

Designer: Kroyer-Saetter-Lassen

Audo Copenhagen Torso Portable Lamp

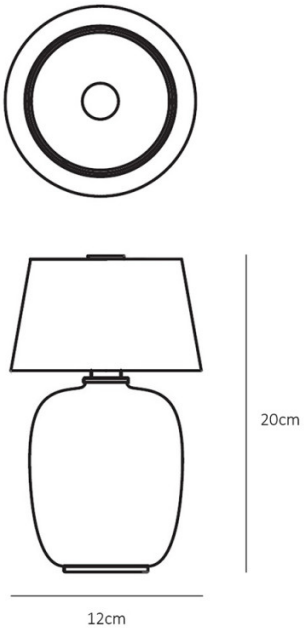

The Torso Portable Lamp is a petite light that can be used in a wide variety of settings thanks to its portable capabilities and homely aesthetic. The shade is made from linen, creating a beautiful and warm glow that is calming and ambient. The shade is also fitted with a brass top, which allows the user to turn it on and off and adjust the light setting with a 3-step dimmer.

The base of the Torso Portable Table Lamp is made from ceramic, which is available in ruby, black, or sand, creating a gorgeous look in any interior. The bottom houses the charging port, which can be plugged into the included Audo Copenhagen magnetic charger cable. The miniature size of the table lamp makes it perfect for use on shelves, tables, side tables, desks, and more to add accent lighting and atmosphere to the room. You can carry the Torso anywhere to suit your needs, and you could buy several in different colours to create variety.

The Torso Portable Lamp is compatible with the Audo charging tray, which allows you to charge multiple portable lights at once, perfect for bigger settings and projects. Please contact us for prices and more information.
