PRODUCT DESCRIPTION

Designer: Naoto Fukasawa

HAY Pao Steel Pendant

The HAY Pao Steel Pendant was designed by Naoto Fukazawa after a trip to the Mongolian mountains, during which he was inspired by the traditional nomadic Pao tents illuminated at night-time. He based his design on the sense of comfort and 'home' that the Pao tents created. Through the gentle domed profile and softly diffused lighting, Fukazawa beautifully recreates this comforting ambience.

The wide steel shade is available in three muted tones: Soft Black, Cool Grey, and Cream White. The 230 is also available in a bold red colourway. A flush acrylic diffuser conceals the light source while creating a warm, directional light, perfect for use above a dining table. With deliberate simplicity through a clean and simple design, the Pao Steel Pendant maintains a sense of lightness with no visual intrusions.

PRODUCT SPECIFICATION

Light Source: **230**: 2 x Max 5W G9 (Excluded)
350: 2 x Max 8W E14 (Excluded)
470: 2 x Max 13W E27 (Excluded)
