PRODUCT DESCRIPTION

Designer: Bernard-Albin Gras

Lampe Gras No. 204 Double Wall Light by DCW éditions

The Lampe Gras 204 double wall lamp brings all the function and style of the [standard 204](#) but twice as much! The wall light has a singular wall base and power point with two lamps extending out. Each light has a pivot joint allowing you to move them from side to side and each arm also has flexibility for even more precise light direction. The double wall lamp is made from steel in a black finish with the choice of 7 colour finishes that are made from metal and 1 colour made from polycarbonate.

The Lampe Gras No. 204 wall lamp can be used in a wide variety of settings, being particularly useful above beds, sofas, desks and tables for ambient lighting or as an effective illumination for reading/tasks. You can also match this wall light with other lights from the [DCW éditions Lampe Gras collection](#), a range that originated in 1921 by Bernard-Albin Gras as a solution for industrial and office interiors.
