PRODUCT DESCRIPTION

Designer: Ernesto Gismondi

Artemide Ilio Mini LED Floor Lamp

Artemide Ilio Mini LED Floor Lamp App Compatible is based on the original design but stripped to the bare essentials. Designed by Ernesto Gismondi, it takes the Ilio floor lamp into a slimmer form with an aluminium and steel body.

Due to its slimmer body, the design is even more sustainable as it uses fewer materials, smaller dimensions, and reduced weight. The LED optical engine at the top of the stem provides diffused indirect light for general room lighting, available in 2700K and 3000K for a warm white output with Artemide App compatibility for further output control.

Artemide Ilio Mini LED Floor Lamp is available in Matte Black and White, with integrated microswitch dimming on the product; similarly, it can be controlled via the Artemide app. Its cylindrical form keeps the appearance simple, reduced to the bare essentials.

Best suited for living rooms, bedrooms, and reading corners where indirect light can provide even, general illumination with a minimal visual presence.

PRODUCT SPECIFICATION

Light Source:	**3000K:** 23W, 3000K, 1528 Lumens **2700K:** 23W, 2700K, 1462 Lumens
IP Code:	20
Dimming:	Integrated on/off switch on the product.
Dimensions:	Shade: Ø4cm Height: 175cm Base: Ø22cm Cable Length: 180cm
