PRODUCT DESCRIPTION

Designer: Sofie Refer

Nuura Blossi LED Table Lamp

The Blossi table lamp is an elegant and sophisticated light, made from glass and metal for a sleek and clean look. The shade has a lovely domed silhouette which is organic and natural and is supported by circular metal discs that house the integrated LED light source. The light shines down, reflecting off the metal for a warm and ambient glow which can also be controlled by the handy dimmer switch on the cable.

The Blossi table light comes in 2 finishes, Nordic Gold/Clear or Black/Opal White. The Nordic Gold finish has a clear glass lampshade which exposes the light more and the Black finish has an opal white glass shade which diffuses and conceals the light. Suitable for many settings, use on tables, desks, side tables and more for a touch of Scandinavian simplicity and grace.
