PRODUCT DESCRIPTION

Designer: Rodolfo Dordoni

Foscarini Lumiere Nuances Table Lamp

The Lumiere Nuances table lamp was created by the evolving nature of the Lumiere collection designed by Rodolfo Dordoni 31 years ago. The Lumiere lights were an immediate success worldwide and with its iconic design now being available in a variety of finishes and colours. The Lumiere Nuance is the most recent version and has taken the collection to new heights.

Available in two sizes and three colours, the Lumiere Nuance table lamp is a modern sleek addition to any home. The colour wraps around the shade and stem which allows the extremely timely hues to be enhanced by the matte finish of the base. Sahara, a warm hue like desert sands; Cipria, a fascinating pink tone; and Creta, a sophisticated grey-green. The new finishes exaggerate the cleverly designed Foscasrini table lamp that has been re-engineered for 2021.
