Nuura Miira 1 Pendant Light

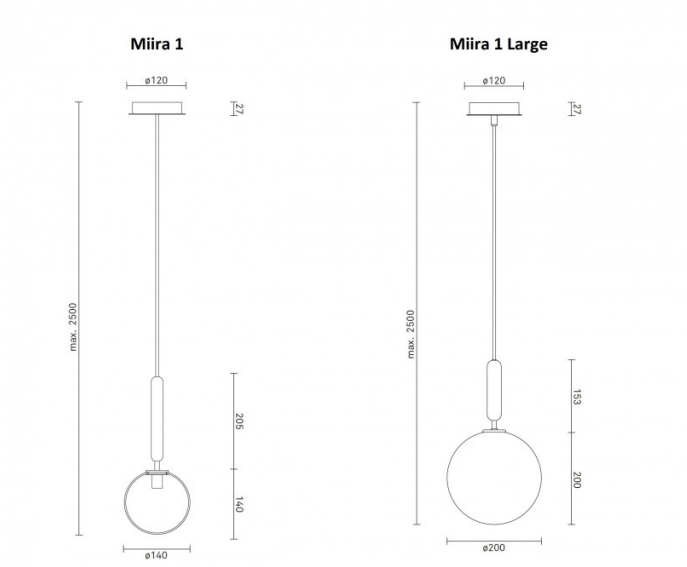

The Miira 1 Pendant is a graceful and minimalist fixture, exemplifying the best of Scandinavian design. The pendant is made up of a metal structure which pairs with a glass globe lampshade. The shade comes in either an opal white finish, which diffuses the light bulb, or an optic clear finish, which refracts and exposes the light bulb. The metal structure also comes in two finishes, brass or rock grey.

The Miira 1 pendant lamp was designed as part of the **Nuura Miira collection** by Sofie Refer and will add a touch of sophistication to your interior. Available in the smaller Miira 1 or the larger Miira 1 Large sizes, this pendant lamp can be used in rows, clusters or alone to suit your needs.

A white ceiling canopy is included. A satin black or satin brass ceiling canopy is also available. Please **contact us** for more information.
