Miira Table Lamp by Nuura

Designed by Sofie Refer, the Miira table lamp is the perfect solution for creating a warm and welcoming atmosphere. Controlled with a dimmer switch, the table light has a glass shade, available in an opal white or optic clear finish. The white finish creates a conventional, diffused glow whereas the clear finish casts shadows, creating a contemporary illumination.

The Miira table light is also available with either a brass or rock grey colour finish, so you can find the right look for your space. Useful on tables, side tables, desks, shelves and more, this table lamp will produce a wonderful ambience, whilst looking stylish and chic.
