PRODUCT DESCRIPTION

Designer: Niclas Hoflin

RUBN Long John Pendant Light

The Long John Pendant Light was designed by Niclas Hoflin who also was the founder and designer of the designer lighting brand, RUBN. Hoflin worked alongside Danish designer Ole Palsby who taught him that *'everything is connected; People, objects and ideas – they all have to work as a unit'*. With this mantra, Hoflin created the Long John Pendant with its strikingly simple design and high functionality.

The Long John pendant can be customised in several ways, such as the finishes of both the shades and the main strip. These are available in black, brass, steel, black with brass shades, white with brass shades, black with steel shades, white with steel shades, and black with bronze shades. All of these finishes are sleek and classic and can add a touch of elegance to any interior. The Rubn pendant is also available in a 3, 4, 5, 6, and 7 spot model that allows you to place the Long John anywhere in your home, office, or restaurant. Together with the suspension, you will receive a 3.5m leather suspension kit (available in brown, black, or nature finish) and a special black ceiling cup (Ø15.5 x 88mm). This can be used to make the pendant appear to be hung from the ceiling from these hardy leather straps.

PRODUCT SPECIFICATION

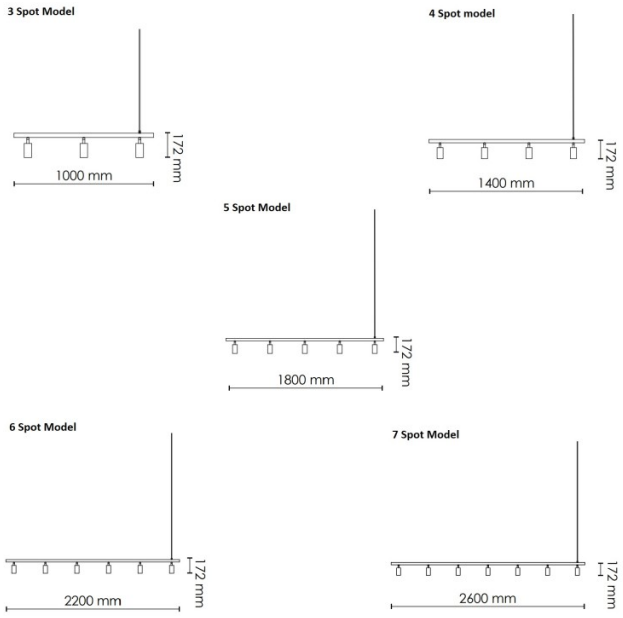

Light Source: 3-7 x Max 8W GU10 LED DIM (Included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:
3 Spot Model: Height: 17.2cm, Width: 100cm
