PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster and Punch Exhaust Pendant

We currently have limited stock of this item in our [Clearance section](#).

Designed by Massimo Minale and inspired by the exhaust pipe of motorcycles, the Buster and Punch Exhaust Pendant Light is a slimline lighting solution that can be used in homes, offices, hospitality, and public interiors. With a colour-matched ceiling canopy, the pendant light can be applied alone or in multiples to provide a downward-directed light that is particularly useful over tables and surfaces.

Available in two colours, graphite or stone, with the choice of brass, gunmetal, steel, or burnt steel diffuser, the Exhaust Pendant emits a concentrated and effective glow. Add a contemporary and modern look to your space with this stunning pendant and match with others from the [Buster and Punch Exhaust collection](#) for a consistent lighting scheme.
