Buster and Punch Exhaust Surface Light

We currently have limited stock of this item in our [Clearance section](#).

Designed by Massimo Minale as part of the [Buster and Punch Exhaust collection](#), the Exhaust Surface Light is a ceiling application, providing a subtle yet effective glow. Epitomising the Buster + Punch brand, this surface ceiling lamp exhibits an industrial and contemporary aesthetic that can adapt to a range of interiors.

Available in two structure colours, graphite or stone, the diffuser also allows you to choose between four different metal colours, steel, brass, burnt steel and gunmetal. Minale found inspiration from motorcycle exhaust pipes when crafting this surface light, Exhaust is perfect for use as accent lighting throughout your interior, the surface light can be used in both residential and professional settings.
