Linear LED Table Lamp by Muuto

Designed by Thomas Bentzen, the Linear table lamp has a refined simplicity that is present in all of Bentzen's designs, taking on the form of the familiar library lamp in a modern and contemporary way. The table light is made from metal and features a polycarbonate diffuser to distribute the glow evenly, creating a warm and inviting atmosphere. Also suitable for working and tasks, the Linear table light has a three step dimmer setting on the lampshade so you can create the right ambience for your space.

Available in black, this table lamp can be used in a wide variety of settings, being useful in homes and offices for efficient and effective lighting. The LED table lamp also comes with a USB-C port located on the base so you can charge electronic devices. A handy and chic light, the Linear is a testament to elegant and subtle Nordic design.
