PRODUCT DESCRIPTION

Designer: Christian Flindt

Louis Poulsen LP Grand 320 LED Surface Light

Designed by Christian Flindt, the Louis Poulsen LP Grand 320 Surface Light can be installed on walls and ceilings, being a thoroughly adaptable fixture suitable for many settings. Featuring a gorgeous round silhouette, the ceiling/wall light is equipped with reflectors and a diffuser to conceal the light and create an inviting and warm illumination.

Available in three colours, matt champagne, matt black or glossy white, the Louis Poulsen LP Grand 320 has an integrated LED source available with either a 2700K (warmest white) or 3000K (warm white) colour temperature. Use in offices, professional spaces, homes, hospitality and more for an effective and chic lighting solution.

This product is also available in a 4000K version as well as Ø148cm, Ø580cm (DALI Dimming) & Ø880cm (DALI Dimming) size variations, by request only, for more information and pricing please contact us
