Nuura Apiales 1 Pendant Light

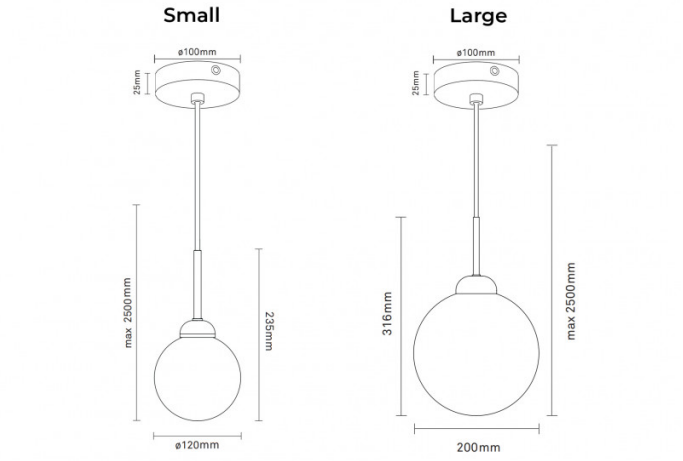

The Apiales pendant is a gorgeous light that utilises classic forms whilst maintaining a simplicity that is refined and elegant. Made from blown glass, the shade is a suspended orb, emitting a warm and diffused glow that is perfect for hanging over tables. The lampshade is held by a beautiful metal fixture that adds a touch of modernity to the pendant light.

Available in a brushed brass or satin black finish and a small or large size, the Apiales 1 pendant lamp can be used in many settings and will suit both traditional and contemporary interiors. The small size makes this pendant perfect for using in rows or clusters and you can mix and match colour finishes for a varied look.

A white ceiling canopy is included. A satin black or satin brass ceiling canopy is also available. Please **contact us** for more information.
