Parachilna Aballs Pendant Light

The Aballs pendant lights by Parachilna were designed by Jaime Hayon who has been described as one of the 'most influential creators of the last decade'. The Aballs shiny refined exterior brings elegance and a minimalist style to any space. The opal glass diffuser paired with the ceramic detailing exaggerates each element of the pendant light. This cleverly designed pendant allows for a generous outpouring of light that fills a space and adds a touch of chic to a room.

Available in three sizes and three different finishes, this pendant light gives you a wide range of choices and can easily fit into any interior. Parachilna pride themselves on luxury design and quality craftsmanship which can both be seen within the Aballs pendant lights.
