Nuura Anoli 1 Pendant Light

The Anoli pendant is a perfect drop of light, featuring smooth and curvaceous lines to create a luxurious and refined look. Made from mouth-blown glass, the lampshade has a simple shape that encapsulates Nordic design and exhibits an elegant aesthetic. The shade comes in either an opal white finish, which conceals the light source and has a more traditional feel, or a gold finish, which reveals the light bulb for a more contemporary expression.

Available in a small or medium size, the Anoli pendant lamp was designed by Sofie Refer, who is a founding member of the lighting brand Nuura. An exquisite and graceful pendant, the Anoli 1 can be used in a wide range of settings and will provide a beautiful, warm, decorative glow.
