PRODUCT DESCRIPTION

Designer: Peter Stathis

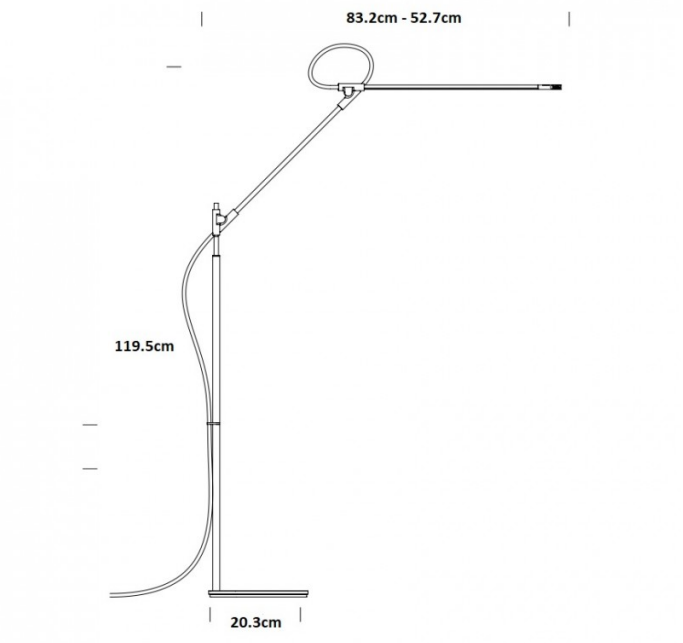

Pablo Superlight LED Floor Lamp

The Pablo Superlight floor lamp boasts adjustability and effortless functionality. The precise and playful structure of this lamp allows for optimum flexibility and fluidity. The slim design of the Superlight LED floor lamp reduces the common task light back to its pure essence. This fits in with the 'less-is-more' philosophy of the Pablo brand.

The Superlight was designed with the user in mind, the one-handed dimmer switch makes for effortless adjustment of the light output and allows you to find the perfect brightness for your space. The joint system within this lamp gives this Superlight floor lamp a full range of flexibility along the 3-axis. Available in two frame colours, black and white, the Superlight can suit any interior with ease.
