&Tradition Caret MF1 Portable Lamp

The Caret Portable Lamp was designed by Matteo Fogale for &Tradition. Inspired by traditional bankers' lamps, the Caret reimagines the graphic silhouette of the classic lamp often found in historic libraries. Available in Silk Grey, Dark Burgundy, Anthracite, and Forest, the Caret brings a modern twist and fresh perspective to the traditional lamps. The minimalistic frame is crafted from zinc and spun, lacquered steel. The rounded base is paired with a pyramid-shaped shade that emits a soft, diffused light. An integrated 3-step dimmer allows users to adjust light intensity to suit any environment.

With an IP rating of 44, the Caret can be used both indoors and outdoors. Its lightweight frame makes it easily transportable wherever required. Charge via the included magnetic USB-A charging cable. Once fully charged, the Caret offers up to 11 hours of light, depending on the light intensity selected. The Caret Portable Lamp can be displayed beside a bed or in a sitting room to create a comfortable atmosphere. Alternatively, take it with you outdoors for gentle lighting that adds a cosy ambience to warm summer evenings.
