PRODUCT DESCRIPTION

Designer: Luca Nichetto

&Tradition Tabata LN10 Wall Light

Designed by Luca Nichetto, the Tabata Wall Light is crafted to be a work of art. Tabata strikes a delicate balance between form and character, adding a playful personality to any interior. The distinctive silhouette is accentuated by its playful and striking finishes for a visually bold yet elegant design. When creating the Tabata, Nichetto was intrigued by the idea of a lamp which appears to float, adding a poetic grace to any space.

The Tabata Wall Light is comprised of three interconnected parts, which, upon installation, can be oriented to direct light as required. When switched on, the light is cast outward, bathing the surrounding wall in a warm glow. The luminaire is crafted from high-gloss painted and polished aluminium, available in a choice of Black, Silky Grey, Dark Burgundy & Vermillion Red, or Deep Blue and Ivory. Its bold form creates sculptural presence and emits gentle lighting, perfect for adding a welcoming ambience in both residential and commercial environments.
