PRODUCT DESCRIPTION

Designer: Vittorio Massimo

Lodes IVY I LED Pendant

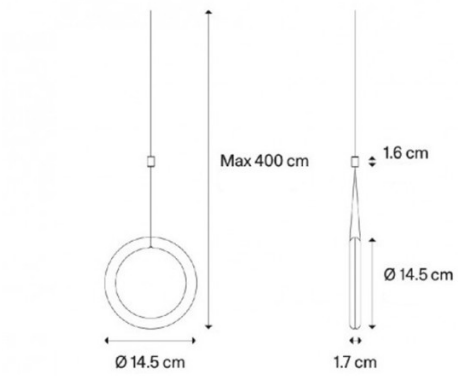

Created by Vittorio Massimo, the IVY I Pendant is a contemporary fixture that boasts an innovative and eye-catching geometric design. Inspired by wedding rings that hang delicately on necklaces, the IVY I Pendant is suspended from a singular cable that loops around the circular shade. The LED light source is housed at the bottom of the pendant, emitting a downward light through the narrow opening. A methacrylate diffuser softens the light, creating an even, rounded beam. This directed glow makes the IVY I Pendant perfect for illuminating surfaces while adding a warm atmosphere to the room.

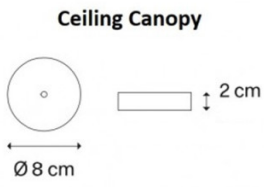

The IVY I Pendant comes in three striking finishes: Matte Black, Extra Matte Champagne or Terra. Available in a choice of two colour temperatures, 2700K or 3000K, the IVY I Pendant will create an ambience that matches its setting. Install individually or create unique compositions by installing multiple pendants at varying heights. The IVY I Pendant suits both domestic and commercial settings. In commercial environments, create eye-catching displays for a welcoming lighting that is guaranteed to leave a lasting impression.

The IVY I Pendant comes with a black single mini ceiling canopy as standard. Alternative colours or sizes are available, as well as cluster or track canopies for large installations. Please contact us for more information and prices.

PRODUCT SPECIFICATION

Light Source:	3W, 2700K, 450 Lumens **or** 3W, 3000K, 480 Lumens
IP Code:	20
Dimming:	Dimmable via Triac dimming.
Dimensions:	Shade: Ø14.5cm Shade Depth: 1.7cm Maximum Drop: 400cm
