PRODUCT DESCRIPTION

Designer: Vittorio Massimo

Lodes IVY V LED Pendant Light

The IVY V pendant was created by Italian designer Vittorio Massimo. A die-cast zinc alloy ring is suspended from a double cable, reminiscent of a wedding ring on a necklace. These elements create a geometric profile for a contemporary and modern light expression. The pendant is available in three finishes: Matte Black, Terra, or Extra Matte Champagne. With a choice of two colour temperatures, 2700K or 3000K, the IVY V Pendant will suit any setting.

When illuminated, the IVY V sheds light downward through a narrow opening at the base of the pendant. A methacrylate diffuser softens light into a glare-free, even beam. This gentle lighting is perfect for illuminating surfaces while creating a warm ambience. Display a single pendant for an elegant addition to the room, or, in larger spaces, clusters of pendants can be installed in a unique, captivating composition.

The IVY V Pendant comes with a black single mini ceiling canopy as standard. Alternative colours or sizes are available, as well as cluster canopies for large installations. Please contact us for more information and prices.

PRODUCT SPECIFICATION

Light Source:	3W, 2700K, 450 Lumens **or** 3W, 3000K, 480 Lumens
IP Code:	20
Dimming:	Dimmable via Triac dimming.
Dimensions:	Shade: Ø14.5cm Shade Depth: 1.7cm Maximum Drop: 400cm
