PRODUCT DESCRIPTION

Designer: Sofie Refer

Nuura Miira Circular Pendant Light

A part of the [Nuura Miira collection](#) by Sofie Refer, the Miira circular pendant takes the Miira design and applies it to a beautiful round metal structure that can be used in many settings. The pendant lamp has a classic and elegant look, holding gorgeous glass lampshades in a way that makes them appear to be floating gracefully in the air.

The Miira circular pendant lamp is available with either 6 or 8 lampshades and with a dark bronze, brass or rock grey metal body. The lampshades are also available with the choice between an optic clear or opal white finish, with the clear version offering a more modern look and the opal white offering a more vintage look.

The pendant light comes with an easy to use adjustable wire cable system that can adjust between 20cm and 250cm so you can hang it high or low, making it extremely versatile. Use in homes, commercial spaces, offices and hospitality venues for a touch of refined Nordic style.
